Vipack, fine furniture for young people

VIPACK is a family business with more than 20 years of experience and known for developing and distributing highquality **children's and youth furniture**. We specialize in creating stylish and functional pieces that cater to the needs and preferences of the younger generation. Our commitment to continuous development and staying up to date with the latest trends ensures a wide range of contemporary and affordable furniture.

Jaxx, from zero to hero

JAXX is a premium brand that's exclusively focusing on the **baby** market. It's designed to provide optimal comfort and convenience for both parents and babies. Our strong focus is on creating functional, durable, and safe baby furniture. In addition, we offer accessories as the finishing touch. We are a trusted partner that grow along with the changing needs at every stage of a child's development.

VipackXL, from hero to legend

With VIPACKXL, we expand our range and we take our first steps into the **adult** furniture market. A collection of beds that responds to contemporary needs and aligns seamlessly with the latest interior trends, proving that comfort and style can go perfectly hand in hand. At the same time, the core values of our family business remain unchanged: dedication to quality, attention to detail, and a strong focus on user-friendliness and trends.

**Our mission for our brands is simple:
we strive to enable parents and their children to enjoy the most valuable moments.**
